交換留学生の受入れ可能な教員リスト

Master's Program in Informatics and Media Design (Department of Informatics and Media Design)

Name	Specialist Field/ Research Theme	Requirements
KAMINUMA Eli	Human-AI Collaboration, AI for Sustainable Development Goals(SDGs)	Python Programming
KURIHARA Yasuyuki	Visual Production, Research on Visual Drama, Animation Production, Experimental Film	Moving Image major student, need interview
SAKUMA Toshihiro	Contemporary Art, Installation Art, Graphic Science	None
MIZUNO Mikako	Contemporary Music, Composition and Theories on Computer Music	Pre-examination interview is indispensable.
YOKOYAMA Kiyoko	Ergonomics, Information Engineering, Bio-Medical Engineering	None

Master's Program in Industrial Innovation Design (Department of Industrial Innovation Design)

Name	Specialist Field/ Research Theme	Requirements
KATOU Takashi	Medical & Healthcare Robotics, Mechatronics, Control, and Design Prototyping	To have a good understanding about Japan and its culture, as well as own country and the culture ** JLPT N2 level required.
TAKAHASHI Nobuo	Application of Computer Animation and Computer Graphics in Arts	None
TSUJIMURA Sei-ichi	Psychophysics (Experimental psychology), Color Perception, Cognitive Neuroscience	The vision-science lab (PI is Sei-ichi Tsujimura) uses neurological methods (e.g., pupil) and behavior (e.g., psychophysics) to study the human visual/non-visual systems. We are presently studying visual/non-visual functions associated with light. Please contact Sei-ichi Tsujimura at tsujimura@sda.nagoya-cu.ac.jp if you would be interested in.
FIRFOVA Neda	Graphic Design	Strong interest in the field of graphic design is preferred

Master's Program in Architecture and Urban Design (Department of Architecture and Urban Design)

Name	Specialist Field/ Research Theme	Requirements
AOKI Takayoshi	Investigation, Diagnosis, Structural Analysis, Reinforcement of Historical Buildings, Structural Health Monitoring	None
ITO Yasuyuki	Architectural Design, Urban Planning	None
Ono Akihiko	Landscape Architecture Garden Design	None
KAKU Satoru	History of the City / History of Urban Planning / Architectural Design	None
KUNO Toshimitsu	Architectural Design, Urban Theories	Having enough fundamental knowledge on architectural design and theory.
SUZUKI Kenichi	Planning and Design of Education and Hospital Architecture, Education for Children on City Planning	None
YOON Gyuyoung	HVAC System simulation, Passive & Active Measures for Energy-Saving of Commercial Building, Energy Management	None
